

# Parking deck gullies Passavant, DN 70 – DN 100

## Product benefits

- Guaranteed fire protection
  - No additional fire load
  - Fire protection classes: R 30 – R 120
- Permanent resistance

- Maintenance-friendly
- 100% UV resistant
- Flexibility in sealing
  - PVC/PE/PP/Bitumen
- Variable installation
  - On-site height adjustment by means of cast iron adjustment ring
  - Can be utilised as emergency drainage
- Few components, compact design

## Product information

- Made of cast iron
  - Building material class A1, non-flammable
  - With paint coat (transport protection)
  - High pressure resistance > 700 N/mm<sup>2</sup>
- Tested in accordance with EN 1253-2
- abZ: Z-19.17-2430 aBG: Z-19.53-2522
- Load class: M 125

## Order information
